GOVERNMENT OF MYSORE

No 880
4 3

Mysore Deputy Commr's Office
Dated Mysore 26th August 1890.

From, G. F. Micklejohn Esquire
Deputy Commissioner

To, The Chief Secretary to the
Government of Mysore

Sir,

With reference to your docket no. 2046/162 — dated 5th June 1890, I have the honor to submit 3 statements showing the population and the revenue under each head, together with the local fund collection for the year 1889-90 of Daliqaun, Ramasamudra and Sante Maralulli villages, where municipalities are proposed to be established.

2. Daliqaun and Ramasamudra are large and important villages, and in both, the more respectable inhabitants wish for a municipality.

3. As regards Sante Maralulli the only use of a municipality would

be to make proper sanitary arrange-
ments for the large weekly fair
held there - one of the largest in the
District. This must be otherwise
arranged as from the amildar's
statement it is evidently not a
big enough village to be raised to
a municipal town.

I have the honor to be,
Sir,
Your most obedt. servt.

Deputy Commissioner's Office,
Mysore District,
Dated Mysore 18/19 February 1892

From

A. Rangaswami Iyengar Esquire
Deputy Commissioner

To

The Chief Secretary to the Dewan
of Mysore

Sir,

I have the honor to state that on the 27th January last I inspected the village of Ramasamudram in the Chamrajnagar Taluk. The inhabitants of the place made

0010001

representations against the constitution of the village into a Municipality. There is a strong feeling among the majority of the residents on this point, as they are afraid of the imposition of Municipal taxes and of restrictions against storing manure within the village, keeping carts in front of houses &c

2. The town is not over clean, and I tried to convince them of the advisability of having a Municipality and gave some instructions as regards the necessity for cleanliness. The inhabitants however, wanted themselves to do things necessary for the sanitation of the village. Though

Very

very sceptical about their keeping these promises, I gave them to understand that on account of the state of the present season no Municipal taxes would be levied this year.

3. A Board has been formed, but no Municipal work has been done, nor has any establishment been entertained or taxes collected as yet. And as the policy of Government seems to be averse to the introduction of the Municipal Government into any village against the wishes of the people, I have instructed the Amildar not to collect the Municipal house tax this year, subject to the approval of Government.

I have the honor to be,
Sir,
Your most obedient servant

Deputy Commissioner,
Broach.
